

Welcome to CTeen Jr.

Dear Parents,

We're pleased to introduce you to CTeen Jr. of Old Tappan.

Our mission is to give your child three things:

1. Jewish Network: Teens love to socialize, they love to network. CTeen is an environment where teens can connect and befriend other Jewish kids their age in a fun, social setting.
2. Jewish Identity: Using well structured, and teen-oriented programming our meetings will inspire your child, and instill within them a strong Jewish pride. Ultimately, this will give them the inner connection to remain Jewishly active in college and beyond.
3. Jewish Values: Studies show that by joining groups that emphasize Community Service, and Humanitarian projects teens build their self-esteem, strengthen integrity, and maximize their cognitive development. In addition, our round-table discussions will promote strong ethics and communal responsibility, with a specific focus on valuable life lessons.

It is estimated that only 20% of a teenager's personal time is actually spent in a structured school environment. CTeen provides the opportunity for teenagers to reassign some free time into meaningful time, constructively spent learning, giving, and interacting with other teens.

Encourage your child to attend a group meeting so they may experience this program first hand. It is an opportunity that no teenager should miss, and there's plenty of room for all their Jewish friends as well.

***Our Kickoff Party will take place on Sunday, September 10, 2017 at Chabad OT, from 3:30-5 pm. There will be a special Cteen door prize, Get to Know You games, Team Building activities and a whole lot of fun! ***

We are excited to present the enclosed Cteen calendar for the coming 2017-2018 school year. All pre-teens and teens 7th grade and up are invited to join Cteen Jr. of Old Tappan - where fun, learning and community service hours meet!
