

CTEEN *welcome* 2018-19

Dear Parents,

As parents, we worry a lot about the wellbeing of our kids, about their future, and about our role in shaping it. How do we keep them safe while encouraging their independence? How do we impart our values and beliefs, empowering them make wise decisions as they go through life? And how do we build their self-esteem, preparing them mentally and emotionally for the long road ahead?

This is why we offer **Cteen Impact** - Community service program, a warm and safe environment where teens (Grades 8-12) are encouraged to develop friendships, to think deeply about themselves, to make a difference in their community and to build a foundation of strong values and skills that will carry them for life.

For your convenience, registration can now be done online at www.chabadOT.org/cteen. The annual membership fee of \$150 is optional and helps us cover costs. For more information email cteen@chabadot.org or call 201-767-4008. Looking forward to the launch of an exciting year ahead.

Every hour teens spend at **Cteen Impact** are recorded and can be used as community services hours towards your child's high school requirements and college application. We will be happy to provide a letter with the recorded hours.

Sincerely yours,
