Dear Teens,

As a teen, you probably love to socialize, network and make an impact. That's why we are inviting you to join us at Chabad of Old Tappan for Cteen, where sharing and caring goes hand-in-hand with fun. At Cteen you will build your self-esteem, strengthen your integrity, and creatively channel your many talents toward making a difference in our community.

At Cteen of Old Tappan, you will have the time of your life and build lifelong friendships with other Jewish teens, but most importantly, through our community service activities, you will take part in changing the world by actively making an impact in the lives of the elderly, the sick and those with special needs.

As in the past, your community service hours are recoded and can be used towards your high school requirements and college application.

Our new state of the art Cteen Lounge, will provide a safe space for Jewish pride and teen community building and there's plenty of room for all your Jewish friends :)

In addition, we are now offering Cteen U, a 14-week college accredited program for teens grades 10-12 on Tuesdays, January through June.

Register today at chabadOT.org/Cteen. The annual membership fee of \$150 is optional and helps us cover costs. For more information email call or text 201-421-1551.

Looking forward to seeing you for the launch of an exciting year ahead.

Rabbi Mendy & Devora Lewis
